1. The following is an examiner's statement of reasons for allowance: the cited prior art does not teach singular nor in combination a method selecting a motion vector for use in a motion estimation system, said method comprising "defining a preferred point in the search window; calculating a primary norm function with reference to the preferred point for a given position in each row or column; and calculating a norm function for each search position based on a linear increment of the primary norm function for the respective row or column; and selecting the search position having the smallest norm function."

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kamini S. Shah whose telephone number is 571-272-2279. The examiner can normally be reached on IFP.
